Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: This summary also applies to 11/214,078, 11/214,079, and 11/214,280. Discussed approaches for overcoming the rejection of claims in 10/720,035 and 11/214,078, including proposed claim amendments to define over the applied art. The examiner indicated that he has issued a new restriction requirement for 11/214,079, which replaces the 3/29/07 and 9/11/06 Restriction Requirements of the previous examiner. The examiner will review the record of prosecution of 11/214,280, for which the previous examiner has issued a non-final Office action, and determine the most appropriate follow-up action .
